

HOW TO USE THE MANHATTAN BUS MAP

Bus Stops: Buses usually stop every two or three blocks on north-south streets and every block on crosstown streets. Bus stops are marked by a red, white and blue sign on a pole and a yellow-painted curb. "Guide-A-Ride" maps and schedules are also posted at most bus stops.

Limited-Stop Service: As a complement to regular service, *Limited-Stop* service is provided in both directions on routes **M15** (every day); **M2** and **M101** (weekdays); and **M98** and **Bx12** (weekday rush hours). In addition, routes **M1**, **M4**, **M5**, and **M10** offer rush-hour *Limited-Stop* service downtown in the morning and uptown in the evening. *Limited-Stop* buses stop only at major cross streets and transfer points.

Fare: Bus fare is payable in exact change, using NYCTA tokens, Susan B. Anthony dollars, quarters, dimes or nickels (no pennies or half-dollars, please). Free time-validated transfers are given for use on one intersecting bus route. A list of each valid transfer location and the intersecting bus route(s) is on the back of the ticket. A transfer is not valid for stop-overs or round trips. A transfer is valid for only one hour from the time it is issued. Please ask for a transfer when paying your fare.

People with disabilities unable to use local bus and subway service may apply for Access-a-Ride door-to-door paratransit service. Applications can be obtained by calling **718-694-3581** (weekdays). Access-a-ride operates from 6 am to 7 pm weekdays and from 10 am to 6 pm weekends.
